

Poster Award

In the last session of EUROFILLERS 2011, poster awards were handed over. The decision on the winners was based exclusively on the votes of the participants. Participants from the organizing institute IPF did not have the right to vote.

As to the awardees, only authors/coauthors present in the closing session were entitled to receive an award. (Consequently, poster number 25 ranked second in the voting could not get the prize.)

Finally, the winners are:
